

Hudson Products Building Sale

[October 8, 2003... Sugarland, TX] Griffin Partners has sold The Hudson Products building to Jaffe Property Management, Inc., a Pompano Florida Corporation. The building is the headquarters of Hudson Products Corporation and is located on Soldiers Field Drive in Sugarland, Texas. The 26,145 square foot facility was built by Griffin Partners for Hudson Products and completed in July 2002. This building's brick and glass exterior complements the overall architecture theme prevalent throughout the First Colony area. Hudson Products is the sole tenant in the Class A facility.
